Our Philosophy.

Energy Saving is a national agenda which promotes India to become more Energy Efficient and Net Zero Emission. In order to reach among every corners of India., our products are designed to make sustainability simple and effective. We bring the latest in technology to help your business save energy, reduce costs, and make a positive impact on the environment. Every industry has its unique energy and sustainability challenges. BNN POWER is your partner in navigating these challenges, offering tailored made design solutions for every client that blends precision with eco-consciousness as we remain committed towards Energy Efficiency.

The Organization Structure.

CONSULTANCY SERVICES DIVISION

- POWER QUALITY ENERGY AUDITS
- DETAILED ENERGY AUDITS WITH CEA 2023 & RELATED COMPLIANCES
- COMPREHENSIVE ENERGY AUDIT WITH GUARANTEED ENERGY SAVING
- CONSULTANCY TO QUALIFY FOR (L.E.E.D) LEADERSHIP IN ENERGY AND ENVIRONMENTAL DESIGN & (ESG) ENVIRONMENTAL, SOCIAL, AND GOVERNANCE FOR GREEN BUILDING INITIATIVES & COMPLIANCES.

MANUFACTURING DIVISION

- PASSIVE HARMONICS FILTER (PHF)
- ACTIVE HARMONICS FILTER (AHF)
- ZERO SEQUENCE HARMONICS FILTER (ZHF)
- K-RATED TRANSFORMERS FOR HARMONICS SUPPRESSION
- MIXED LOAD/LIGHT LOAD ENERGY SAVERS (Transformers)
- IoT based ENERGY MANAGEMENT SYSTEMS (EMS) for 24x7 Online Monitoring.
- DE-TUNED APFC PANELS & HYBRID POWER FACTOR CONDITIONERS
- CCMS STREET LIGHT PANELS

WHY BNN POWER ?

BNN Power is a Bureau of Energy Efficiency (BEE) licensed Energy Service Company (ESCO) here to offer 100% solution to power quality problems. Which helps reduce monthly Electricity bills, offers reduction in yearly maintenance by power quality improvement and 24x7 support to our clients.

GUARANTEED SOLUTIONS

We are a team of experts who use the unique combination of daily data monitoring, Production analytics, and human expertise to bring value to its customers. This results in optimized machine lifecycle, Efficiency and improved performance.

GUARANTEED ENERGY SAVING

Our in-house manufacturing hub allows us to custom build specific solutions for client's new & existing design to implement efficient electrical solutions at a cost-effective price. Which helps reduce monthly Electricity bills

15+ YEARS EXPERIENCE

Since 2009 BNN Power is a Mumbai - India based Energy Consultant recognized as a Energy Service Company (ESCO) empaneled with Bureau of Energy Efficiency, Govt. of India, Ministry of Power, specializes in Energy Saving & Electrical Auditing Services.

MULTI-SECTOR EXPERTISE

Our client portfolio extends to all sectors of industries. From manufacturing to commercial spaces. From private sector to government sector. BNN Power is the one-stop solution to your Energy Efficiency and Net-Zero Emission challenges.

Your One-stop solution to all Energy needs.

CLIENT CHALLENGES

- Increased Electricity Bills and Penalty Costs imposed by Power Companies.
- Recurring Machine Faults which affects production due to downtime.
- No Data list for specific consumption. (Machine wise data)
- Power Quality and Harmonics Issues.
- No awareness about Electrical & Fire Safety Standards.
- Lack of Solar Efficiency
- Maximum Reactive Power Losses

BNN POWER SOLUTIONS

- To Consult, Recommend and Source new technological advancements in Energy Industry.
- Industry-wide Compliances (eg. CEA 2023, Energy Conservation (ECBC) Act 2017 etc.)
- To reduce Carbon Emission by Green Building Initiative.
- To evaluate & optimize total consumption to minimize energy exploitation and achieve Energy Efficiency.
- To analyze machine wise specific consumption and identify Energy Losses with on-site solutions reduce them.
- To provide 100% guaranteed solutions to reduce Monthly Electricity Bill and reduce Maintenance Costs.
- To identify Faults and machine Malfunctions to prevent major machine breakdowns.
- To analyze client's present Electrical setup for hazardous spots and offer solutions.

Station Road, Govandi, Mumbai - 400088, Maharashtra

Sub: Empanelment of Energy Service Company (ESCO)

Dear Sir,

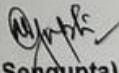

This has reference to your application for empanelment/ re-empanelment as an Energy Service Company with BEE in response to our advertisement for re-empanelment and fresh empanelment of ESCOs in the month of April, 2023.

Consequent to scrutiny and evaluation of your documents by SEBI accredited Rating Agencies CRISIL /CARE /ICRA in terms of the approved parameters for evaluation, BEE is pleased to inform that your company Name of ESCO has qualified for empanelment with BEE as a Grade 2 Energy Service Company (ESCO). This empanelment would be effective from 25th August, 2023 and will be valid till 24th August, 2025.

Further, the list of all the empanelled ESCOs along with grade assigned by CRISIL /CARE/ICRA is uploaded on its website (www.beeindia.gov.in) for use by State/Central government/Public Sector agencies as well as by any other agency interested in implementing energy efficiency projects on ESCO mode.

Please acknowledge your acceptance to this letter.

Yours faithfully,

(Arijit Sengupta)
Director

Sub: Work Completion & Performance WO No. - 533(CSQ 1657) Letter of 'Electrical Energy, Power Quality & Safety Audit' Work Completion & Performance.

Dear Sir,

This is in regard to the 'Electrical Energy, Power Quality, and Safety Audit' undertaken by B N N POWER at the Mumbai Cricket Association's Sachin Tendulkar Gymkhana & Recreation Centre in Kandivali, Mumbai. On the following technical grounds, we adhere to BNN POWER's suggestions and recommendations:

- 1) Increased power quality.
- 2) Energy conservation for lower electricity bills.
- 3) Reactive power management.
- 4) Fault analysis & recommendations for safety.

The energy audit work completed and Audit report recived to us. Energy Audit performance was found satisfactory. We appreciate the work carried out by BNN POWER.

We look forward for similar technical support to us in future and wish company continue success.

Best Regards,

Chief Engineer
